

Dear Member,

We are writing to let you know about a small change to our 2025 membership rates. To help cover an increase in our Fitness to Practise Legal expenses insurance coverage premium, the rates for **Full, Part-Time, and First Year Post Qualify Memberships** will increase by €5.00 (five euros) effective 1 January 2025.

In 2024, we absorbed the premium increase to shield our members from the additional cost. This year, we're making this modest adjustment while ensuring that all other membership rates remain the same. We know changes like this aren't always easy, and we deeply appreciate your understanding.
